

7 January 2021

Dear Pupils,

### **January Exams**

I am writing to inform you that we have made the decision to withdraw you from any external exams/assessments that you were due to take during January. You will not be completing any papers in January.

This decision is based on the advice that has been given to schools from the Dfe, Ofqual and after taking into account the health and safety guidance around the transmission of the virus. Ofqual have assured schools that pupils will not be disadvantaged by this decision.

We do not yet have any information as to how grades will be awarded for the June series. We will share this with you once we have it. However, it is crucial that you continue to attend remote lessons and complete work as directed by your subject teachers. All work completed from now onwards may be used as evidence towards your final grades.

Regards,

**Mrs S Mohsin.**  
**Assistant Principal**
