Dear Parent,

Assalaam-Alaikum/Peace be with you.

I am writing to inform you that all Year 7 pupils will be taking part in transition tests this week. These involve a range of tests including Cognitive Ability Tests (CATs) which are designed to assess a pupil's ability in three different areas: verbal (thinking with words); quantitative (thinking with numbers); and non-verbal (thinking with shapes and space).

All the tests will take place on Thursday 24<sup>th</sup> and Friday 25<sup>th</sup> September. They will all take place online and will be marked externally. Pupils do not need to do anything to prepare for these assessments. When the school has the results we will use them in conjunction with teacher assessments to help further with planning for progress in every subject.

Please could I reiterate that pupils do not need to do anything specific to prepare for the tests. All instructions and information that they need will be given to them as needed for each test.

Regards,
